Franklin TV

Truly Open Meetings

Technology

For Connectedness
June 15, 2022

Who We Are

- Franklin●TV is a $501_{(c)}(3)$ nonprofit organization
  - We are contracted by the Town of Franklin
    - We maintain our own broadcast liability insurance
    - Franklin is listed as additional indemnified
    - We also maintain music licensing agreements
      and other pertinent rights and policies

- We maintain a close working relationship

Procedures & Priorities

- There is a hierarchy to 'openness' and meeting control.
- The meeting's Chair/Moderator has direct control.
  - Each meeting (webinar mode) has a Zoom host/moderator.
  - The PEG studio joins only as a participating 'panelist'.
- The PEG studio has backup control only upon request.
  - Three meeting modes:
    - P.A. System On/Off (can include hearing assist & Zoom)
    - Meeting Cablecast/Livestream On/Off
    - Executive Session Privacy On/Off

The Zoom host/manager

Technology Subsystems

- Room Audio – P.A. System (Always available)
  - Simple On/Off remote with indicator
- Room Projection System (Always available)
  - Can accept HDMI media from 3 desk positions
- Room Video Displays for Zoom (always available)
  - 6 displays for audience and meeting panelists.
    - 2 for what's 'LIVE'
    - 4 for Zoom host's gallery or speaker views
