

A Comprehensive Education Benefit For Your Employees

Savi partners with organizations like yours to support employees as they navigate every aspect of their education, whether it's saving money on their existing student loans or helping them go back to school.

Student Loan Guidance

Our free assessment tool helps employees scan 150+ student loan programs to determine eligibility and calculate savings or forgiveness.

Easy Application and Ongoing Monitoring

Savi takes care of any student loan paperwork while providing ongoing support and monitoring for a hassle-free experience.

Student Loan Contribution

Savi helps employers deliver direct payments to student loan servicers via secure EFT or check, helping reduce the burden.

Student Loan Retirement Match

Savi tracks employee student loan payments, allowing employers to make matching contributions to employees' retirement accounts.

Better Tuition Reimbursement Management

Savi provides administrative capabilities to support tuition reimbursement, saving employers time and increasing recruitment and retention.

HR Dashboard and Reporting

Borrowers and employers will have access to their dashboards 24/7. Employers can view reports on all programs.

Education Counseling

Borrowers get 1-1 support from education experts and access to custom webinars, call center, live chat, and email support.

Join hundreds of partners that offer Savi technology to help their employees save time, money, and headaches.
